

MyPlans

humanwriting.com offers several different plans. Currently the most general 3 are the following (for others you can request information through the contact form):

·Free trial

When subscribing, you are eligible for one month free trail of services. After one month your account will automatically be disabled, unless you have provided a request for upgrade before the end of your 30 day trial.

·\$5 monthly basic subscription

The basic subscription covers a blog site with available themes. Standard plugins are included, no additional plugins will be made available. If you are starting, this should be sufficient for most. There are no hidden costs. Support calls are on the house.

·\$10 monthly premium subscription

The premium subscription covers the same as the basic subscription, but adds additional possibilities for plugins and support on them. Also, as a premium member, we will advertise

for you. You will have the option to have a 'feature' article on the front page for a set time per month, but also will we advertise your blog on other media.
